## Visit local artists at home in their studios

The Art@Home trail will give community members the opportunity to visit local artists in their home studios and learn firsthand about their practice. Quality paintings, drawings, sculpture, metal and glass works will be on display and for sale.

This event series will allow individuals to uncover creative talent in the northern suburbs of Perth and showcase each artist's inspiration behind their work.

If you have an interest in art, or just like meeting creative individuals, attend the Art@Home studio trail that will be held over three weekends in the lead-up to Joondalup Festival 2018.

This is a community run initiative, held in conjunction with the City of Joondalup.
